Martin Beringer's parents, John and Susan (Jochim) Beringer, came to the USA from Luxemburg, Germany after they were married. They had 3 or 4 children in Germany that traveled with them. While on the boat they met a family. The parents both died on the boat and left an orphaned child named Kate. John and Susan took in Kate and adopted her in the USA. John and Susan had 4 more children in the USA. Kate had a child named Louise. My Grandma was named Kathryn Louise after Kate's daughter Louise.

Eugene and Kathryn Wegscheid were married on September 20, 1938, at St. Lawrence Church, Rush Lake. They have 8 children (four girls and four boys), 28 grandchildren, 48 great-grandchildren and 2 great-great-grandchildren. They farmed and raised their family on the Wegscheid home place north of Bluffton.

They worked hard, but also enjoyed visiting with family and friends, playing cards and dancing. Church was an important part of their lives. Sunday was always a special day. We'd come home from church to the smell of roast in the oven. When a good old time waltz played on the radio, Dad and Mom would dance around the kitchen and we also learned the art of dancing at that time.

The feast of St. Nick was a special time when a bag of candy and nuts was thrown in the front door. But, if the kids weren't good they got a stick instead of candy. When farming got too hard, Gene and Kay moved to a home on 2nd St. NW in Wadena. Gene passed away quite suddenly at 68 years old on September 7, 1980. Mom lived there until she moved to Humphrey Manor in Wadena and later to Shady Lane. She became ill and passed away at 84 years old. They both made our lives very rich with their love.
